EMERGENCY MOTIONS

We are in a critical time as noted by the Chief Judges' General Administrative Order concerning COVID-19. Emergency motions should be filed in only the most crucial circumstances during this period. Only true emergencies will be heard by the Court. The motion must be a true

emergency, or it will be stricken. Cook County Circuit Court Rule 13.4(a)(ii)(b) will be enforced, and states as follows:

“Facts identifying the nature of the sudden or unforeseen circumstances which give rise to the emergency and the reason why the matter should take precedence shall be stated with particularity in an affidavit or verification in support of the emergency motion.”

Generally, **an emergency is some circumstance that could lead to irreparable damage if relief is not procured** prior to the time a party could be heard on the regular motion call. Motions to extend or compel discovery or other judicially set deadlines are not emergencies. A courtesy copy of the motion marked, “EMERGENCY MOTION” and all supporting documents or exhibits must be delivered to the Emergency Civil Room, Courtroom 208, on the preceding court day.

INCONSISTENCIES

In the event of any inconsistency between this Standing Order and any Order entered in a particular case, the Order entered in the case controls.
