

County Division procedures beginning July 6, 2020

Consistent with the Chief Judge's Administrative Orders, the County Division will resume hearing all matters on their regular scheduled court calls beginning July 6, 2020. All matters will be heard remotely via zoom or audio conference, absent an order of court setting the matter for an "in person" hearing with the exception of civil asset forfeiture cases. All judges have been directed to contact parties on matters set for hearing between July 6, 2020 and July 11, 2020 to determine whether and how such hearing will be heard.

The Court will publish zoom meeting information and procedures for all calendars shortly.

In the meantime, anyone seeking information about any County Division cases can contact the following:
