With the exception of Guardian *ad Litem* reports on petitions for temporary guardianship, courtesy copies of all submissions to the Court must be received by the Court no less than three court days before the date scheduled for presentation. Late submissions may cause the matter to be rescheduled at the Court's convenience.

Petitions for temporary guardianship and other matters determined to require emergency scheduling will be heard at 10:00 a.m. In extraordinary circumstances, emergency matters may be heard as otherwise scheduled by Judge Outlaw or any judge sitting in his stead.

All petitions for temporary guardianship and other emergency matters must be scheduled in advance with the Court clerk in Courtroom 1812.
